**ARTICLE IA**

**SCOPE OF REPRESENTATION:**

The Scope of Representation of the Union includes all matters relating to employment conditions and employer-employee relations including, but not limited to, wages, hours and other terms and conditions of employment but excluding the merits, necessity or organization of any service or activity provided by law or by direction of the Board of Supervisors.

**ARTICLE IV**

**UNION DUES DEDUCTION:**

- A. The County of Kern agrees to deduct and to pay to the Union biweekly dues and assessments in an amount certified to be current by the Secretary-Treasurer of the Union. The Union agrees to pay a service fee to the County for payroll deduction for

Union dues, insurance, or other assessments as mutually agreed to by the Union and the County. The payroll deduction service fee shall be two (2) cents per deduction, per biweekly pay period.

### **DISCRIMINATION:**

The County of Kern agrees not to discriminate against any employee for their activity on behalf of, or membership in, the Union. Both parties shall comply with all applicable federal and state laws prohibiting discrimination and shall not discriminate against any employee because of the employee's race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status, or the employee's inclusion in a legally protected class.

The Fire Chief has the right to place reasonable limits on such time off and will record in writing on the letter of request any conditions or limitations imposed. Unwarranted abuses of any such conditions or limitations will be grounds for withholding approval for subsequent authorized absences. Disapproval by the Fire Chief will be immediately transmitted in writing to the Union, with a copy to the Chief Human Resources Officer, stating the reason for disapproval. #### ARTICLE XIV

#### **RETIREMENT:**

- A. The County agrees to continue to provide retirement benefits in accordance with Resolution Number 2004-436, which adopted the 3% at 60 benefit formula for general members of the Kern County Employees' Retirement Association ("KCERA"), except as provided in Section D below.
- B. All employees hired prior to February 8, 2005 shall pay one third percent (33%) of the employee's normal contribution to retirement.
- C. All eligible employees hired or rehired on or after February 8, 2005 (hereafter "Post-February 2005 Employees") shall pay one hundred percent (100%) of their normal contributions to retirement. Post-February 2005 Employees who have accrued years of service prior to being hired or rehired on or after February 8, 2005 shall pay one hundred percent (100%) of the new employees' normal contributions to retirement regardless of years of service.
- D. Employees hired after January 1, 2013 shall pay 50% of normal cost of retirement (i.e., PEPPRA contribution).
- E. All eligible employees hired or rehired on or after July 5, 2008 (hereafter "new employees") shall receive the following retirement benefit except for employees who, for any reason including, but not limited to, making a redeposit under current

law or taking any other action through which, the employee receives service credit under the 3% at 60 benefit formula (“higher benefit formula”):

1. Pursuant to Resolution #2008-229, previously approved by the parties to this MOU and formally adopted by the Board of Supervisors on June 17, 2008, all new employees shall receive a defined benefit pension as described in Government Code section 31676.01, commonly referred to as 1.62% at 65.
  2. A defined contribution 457 plan, as part of the existing County Deferred Compensation Plan, wherein the County will provide a biweekly amount (hereafter “match”) not to exceed six percent (6%) of base pay as provided herein:
    - a. Subject to the limitation contained in subsection (b) below, the County shall contribute a biweekly amount, equal to the biweekly amount that the employee contributes to the County’s Deferred Compensation Plan.
    - b. The six percent (6%) maximum biweekly match shall be calculated by multiplying the employee’s hourly rate times the amount of hours the employee is paid for during the pay period including hours worked and paid time off but excluding overtime. Notwithstanding the foregoing, in no event shall the County pay the match, or any portion thereof, if the payment of the match, or portion thereof, will cause the employee to exceed any applicable IRS limitations of contributions to the County’s Deferred Compensation Plan.
    - c. This MOU does not create a vested right to a continued match beyond expiration of the MOU. However, the match benefit, as described herein, will continue beyond the expiration date of the MOU subject to the current collective bargaining laws and rules.
    - d. If for any reason, including but not limited to a redeposit under current law, a new employee becomes eligible to receive retirement service credit at the higher 3% at 60 benefit formula, the new employee shall repay the County the amount of the match received plus the amount of 6% premium pay received, under Article VIII, Section 6 (B) for the period of service during which the employee is credited under the higher benefit formula. It is the purpose of this subsection (d) to prevent a windfall wherein a new employee received premium pay, the match plus the higher benefit formula as opposed to the formula contained in Government Code section 31676.01.
- F. Except for new employees, employees’ normal contributions to retirement shall be calculated in accordance with Government Code section 31621.8. New employees’ contributions shall be calculated as provided in Government Code section 31621.
- G. In accordance with Government Code section 31641.95, on April 15, 1997, the Board of Supervisors adopted a resolution permitting employees to purchase retirement credit for all legally eligible prior public service. All purchases of retirement credit shall be in accordance with the rules and regulations of the KCERA and the Government Code.
- H. This MOU does not create a vested right to continued County payments of employee contributions or to purchase retirement credit for prior service that is independent of

this or successor MOUs. Said terms and conditions will remain in full force and effect until final approval of a successor MOU or the parties reach impasse and exhaust all legally required impasse resolution procedures.

- I. Employees who, in good faith, have designated an effective date of retirement from County service may rollover their accumulated vacation and sick leave balances to the KCERA no earlier than three months prior to the designated date of retirement. This rollover shall be for the sole express purpose of receiving credit for all legally eligible prior public service as determined by KCERA in accordance with the Government Code and its rules and regulations relating to receiving credit in the KCERA retirement system.
- J. In addition to the ability to rollover accumulated vacation in the manner described in subsection "H" above, employees may also rollover their accumulated vacation balance (only) for the sole express purpose of receiving retirement credit with KCERA for other qualified service one time during the employee's tenure as a County employee. The employee must submit a written request to their department head no later than April 1st prior to the fiscal year in which the employee intends to rollover such amounts. The department head may, in their sole discretion, waive the April 1<sup>st</sup> filing deadline for any employee.

#### ARTICLE XV

  - 2. One half of the qualified payoff will become payable 12 months following the first payment.

- C. No interest shall be earned or paid on the deferred eligible payoff amounts.

#### ARTICLE XVI

(3.69231 working hours X 26 pay periods = 96 hours divided by 8 hours = 12 days per year.) Unused sick leave will be accumulated up to a maximum of 1152 hours (144 days).

### Sick Leave Payoff Schedule

Each employee covered by this MOU will be paid upon death or active retirement (deferred retirement excepted) for unused sick leave as follows:

<u>Years of Continuous County Service</u>	<u>Payoff Rate</u>
0 through 19	50%
20 through 24	75%
25 or more	100%

1. For the purposes of this subsection, "Continuous County Service" shall have the same meaning as "years of service" as calculated for vacation seniority in section C of Article XVIII of this MOU.
  2. The amount payable under this subsection shall be calculated based upon the employee's rate of compensation and years of continuous service at the time of retirement or death.
- B. Employees shall be eligible to receive an annual cash bonus of 24 hours at their regular rate of pay if on the pay day immediately preceding Christmas they have accrued the maximum amount of unused sick leave (1152 hours) and have used ten hours (10), or less, of sick leave during the previous payroll periods during that calendar year.

- B. Regular permanent part-time employees' vacation entitlement is prorated on the same yearly basis.
- C. For the purposes of this MOU, "years of service" (i.e., vacation seniority) shall mean all uninterrupted employment with the County of Kern.
- D. The granting of any vacation request, by a department head or designated supervisor, shall be subject to the workload and staffing requirements of the department.
- E. With respect to employees with maximum vacation accruals, if the employee has been denied a proper written request for a vacation and subsequently submits a second proper written request for a vacation for a different period of time, and that second request is denied, the employee shall upon written request, be entitled to receive cash in an amount equal to the amount of vacation time the employee would have accrued while utilizing the vacation time if the second vacation request had been approved. The requests must conform to the scheduling policy of the department.
- F. Employees shall not be downgraded on the Employee Performance Report for the use of authorized vacation.
- G. Financial Hardship – In the event an employee incurs a serious financial hardship as the result of family illness or death, the employee may make written request to the Fire Chief to cash-out all or part of the employees' accrued vacation. Non-productive paid hours such as vacation, sick leave, compensatory time off, non-worked paid holidays, etc., shall not count as actual hours worked under this Section. Work time spent on jury duty and hours paid for holidays shall be considered hours worked under this Section.
- B. Overtime shall be compensated at one and one-half times the employee's regular rate of pay, as defined under the Fair Labor Standards Act of 1938 ("FLSA"). Only actual hours worked shall be counted toward the applicable threshold for purposes of calculating overtime owed under the FLSA. All overtime entitlements shall be computed to the nearest tenth of an hour (6-minute increments).
- C. In lieu of cash compensation for overtime, overtime-eligible employees may earn up to a maximum of 120 hours of compensatory time off ("CTO"). CTO will be earned at a rate of one and one-half hours for each hour of overtime worked. CTO may also be earned at straight time for non-Overtime hours worked when the employee has a combination of actual hours worked and non-productive paid hours over 40 hours in a workweek. An employee who has accrued CTO shall be permitted to use such time within a reasonable period after making a request if the use of CTO does not unduly disrupt the operations of the department.

- D. Upon separation of employment any unused CTO will be paid out according to the FLSA and its implementing regulations.
- E. Employees covered by this MOU who are classified as exempt under the FLSA shall not be eligible to receive overtime or to accrue compensatory time off.

In all other cases, the existing policy of Kern County and its departments shall continue to remain in full force and effect.

Section 2. Standby and Availability Pay

A. Standby

1. Definition of Standby – Only after first seeking volunteers, an employee who is required during off-duty hours to remain on call on the County’s premises or elsewhere or under conditions so circumscribed that they cannot use the time effectively for their own purposes is working while “on-call.” Employees who are working while “on-call” are on “standby.” An employee who is not required to remain on the County’s premises or elsewhere and is merely required to leave word at their home or with County officials where they may be reached or is merely required to be available via a communications device, is not working while “on-call” and shall not be considered on “standby.” This definition of “standby” is intended to be the same definition as “working while on-call” which is contained in 29 CFR ' 785.17 and to duplicate the definition of compensable standby (i.e., working while “on-call”) found in the Fair Labor Standards Act as it is presently interpreted.
1. Compensation for Standby - An employee required by the department head to be on stand-by duty shall receive one-quarter of their hourly pay, or the federal minimum wage, whichever is higher for the hours required to be on stand-by. Employees on stand-by duty, who are called back to work, shall not receive stand-by pay while in a called-back status.
2. A department head seeking to place employees on standby duty shall first, make a reasonable effort to solicit volunteers prior to mandating any employee in Standby/Availability.

B. Availability Pay

Due to urgent situations, employees in certain classifications must frequently be available to report to work outside their regular work schedule, upon request of their department head or designee. Such employees shall be required to carry a communications device to ensure their availability. The department head shall not impose conditions, which so restrict the employee that the employee is on standby as defined by Article XX, Section 2.A, unless the employee is placed on standby.

2. As compensation for being available to respond to such situations, those employees shall receive either (1) a biweekly allowance equal to five percent (5%) of their biweekly base salary, or (2) one-quarter of their hourly pay for the hours required to be available. Employees required to respond shall not receive the one-quarter pay for the hours that they receive full compensation, including any two-hour minimum call back overtime pay.
3. A department head seeking to place employees on availability duty shall first, make a reasonable effort to solicit volunteers prior to mandating any employee in Standby/Availability.
3. Employees required to remain available shall not receive the one-quarter pay for the hours that they receive full compensation, including any two-hour minimum call back overtime pay.
4. Employees required to provide an after-hour service response, but who do not return to work, shall be eligible for a minimum of 30 minutes call back overtime pay, and compensated for the actual time they work over 30 minutes rounded to the nearest tenth of an hour.
6. Employees who return to work shall be eligible for the two-hour minimum call back overtime pay, but if called back multiple times within the two hours, will only receive compensation for the two hours or the total time worked, whichever is greater.

  2. Repayment in full, deducted from the next payroll warrant issued to the employee after the employee is provided documentation of the error, notice, and the opportunity to object. This option will only be used by the Auditor-Controller-County Clerk, with due consideration of the amount to be deducted and the amount of disposable earnings available to the employee;
  3. Repayment by the reduction of accumulated vacation hours and/or compensatory time off hours by the number of hours calculated to produce a dollar amount, net of taxes, to repay the County after the employee is provided documentation of the error, notice, and the opportunity to object;

4. Repayment by fixed installment deductions from sequential payroll warrants after the employee is provided documentation of the error, notice, and the opportunity to object. The number and amount of installments will be determined by the Auditor-Controller-County Clerk, with due consideration of the amount of the overpayment and the amount of disposable earnings available to the employee; or
  5. Any combination of the above as found mutually agreeable to the employee and the Auditor-Controller-County Clerk.
- B. If, as a result of an administrative error, any employee of the County receives payment of monies or benefits less than that legally due, the County will reimburse the employee by one or more of the following methods:
1. An employee who is underpaid on a payroll warrant will receive a corrected payment in the next available payroll cycle; or
  2. In the event an employee is underpaid a substantial portion of monies or benefits legally due on a payroll warrant, the Auditor-Controller-County Clerk may issue a salary advance.
- C. Disputes regarding the application of this Article will be resolved pursuant to the Grievance and Arbitration Procedure contained in Article XXX. Collection of such disputed amounts will be held in abeyance until such grievance is adjudicated.

### **ARTICLE XXVIII**

#### **JURY DUTY\WITNESS APPEARANCES:**

- A. Upon reasonable notice to the Fire Chief, all employees shall be entitled to time off without loss of pay to serve on a jury or when legally subpoenaed to appear as a witness in court, or before any tribunal, in connection with any matter regarding an event or transaction which they perceived in the course of their duties of County employment.
- B. Such paid time off shall include any actual and necessary travel time from the regular place of employment to the court or hearing place designated in the jury summons or subpoena and other paid time off relating to witness appearances which the County is required by law to pay.
- C. Unless otherwise specifically provided by minute order of the Board of Supervisors, all employees shall be responsible for demanding and collecting all fees and sums required by law to be paid in connection with such appearances and shall promptly pay over to the County all such amounts, together with any other sums, of whatever nature, received as a result of or in connection with such appearances; provided, however, that if the employee uses their own automobile they shall be entitled to retain any statutory mileage fees received in connection with such appearance.

- D. In the event an employee is legally subpoenaed to appear as a witness in a matter not related to their duties of County employment, the employee should be granted the use of leave time to comply to the directive of the subpoena.

### ARTICLE XXXIX

#### **CATASTROPHIC LEAVE PAY:**

- A. Catastrophic leave pay for County employees who have exhausted all accumulated paid time off (vacation, sick leave, and compensatory time off, etc.) shall be governed by this MOU. The purpose of those benefits is to provide a portion or all an employee's pay during the time the employee would otherwise be on an approved leave of absence under the California Family Rights Act ("CFRA"), the Family and Medical Leave Act ("FMLA"), or Pregnancy Disability Act ("PDL") pursuant to state or federal law. Catastrophic leave pay is contingent on the receipt of donated paid time off in the manner described below.
- B. Catastrophic leave pay does not increase or limit an employee's rights to a leave of absence under County policy or this MOU except that the employee will continue in a paid status during that leave.
- C. An employee is eligible for catastrophic leave pay with medical certification or verification of the need for a leave of absence pursuant to CFRA, FMLA, and/or PDL, and after the employee has exhausted all accrued paid time off.
- D. Employees governed by this MOU may only donate paid time off to another employee who becomes eligible for catastrophic leave pay.
- E. To begin receiving catastrophic leave donations, employees must submit a written request to the Human Resources Division with sufficient information to enable the Chief Human Resources Officer or their designee to determine whether they are eligible.
- F. It is the responsibility of the employee requesting catastrophic leave pay or co-workers to canvass other employees for catastrophic leave donations. Donations must be made on the County-approved authorization form. All donations are irrevocable. Donations are taxable on the part of the recipient, in accordance with IRS regulations, and are subject to withholding as required by law.
- G. Donations must be a minimum of eight (8) hours. The County will convert the donations to a dollar equivalent amount, using the recipient's hourly wages.
- H. Health insurance coverage and retirement contributions will continue in the same manner as if the recipient employee was on sick leave. The recipient employee will not accrue sick leave or vacation benefits while using catastrophic leave.
- I. Catastrophic leave shall be terminated when one or more of the following occurs:
  - 1. The employee has returned to duty from an eligible CFRA, FMLA, or PDL leave of absence; or

2. All donations are exhausted.
- J. Upon termination of catastrophic leave pay, all unused donations shall be forfeited by the donor and recipient.

### ARTICLE XXX

#### **GRIEVANCE AND ARBITRATION PROCEDURE:**

A. Objectives:

To informally settle disagreements at the employee-supervisor level.

To provide an orderly procedure to handle the grievance through each supervisory level.

To correct, if possible, the cause of the grievance in order to prevent future complaints.

To promote harmonious relations among employees, their supervisors, and Departmental managers.

To assure fair and equitable treatment of all employees.

To resolve grievances at the Departmental level before appeal to higher levels.

B. Definitions:

The following terms, as used in this Article, will have the following meanings:

**Grievance:** A complaint by an employee, alleging a violation of this MOU, rules and regulations (except Rules of the Civil Service Commission) or policies governing personnel practices and working conditions. A grievance may be filed when the employee believes an injustice has been done because of an unfair application or deviation from a Departmental policy.

**Day:** Calendar Day, exclusive of Saturday, Sunday, and County holidays.

**Employee:** Any employee in the classified service of the County, regardless of status.

**Immediate Supervisor:** The person who assigns, reviews, or directs the work of an employee.

**Superior:** The person to whom an immediate supervisor reports.

**Representative:** A person who appears on behalf of the employee.

**Departmental Head/Appointing Authority:** The Fire Chief.

C. Exclusions:

The following matters are excluded from coverage under the Grievance Policy:

1. Work assignments, unless the complaint arises out of an allegation that the employee was required to work out-of-classification in violation of that provided by the Kern County Ordinance Code and did not receive the out-of-classification pay or unless there is evidence the assignment of work is a form of disciplinary action.
2. Classification and salary matters relative to classification.
3. Appeals involving demotions, dismissals, increment denials, suspensions, promotions, separations, and examination procedures.
4. County wide policy and ordinance matters, including subjects involving newly established or amendments to existing Board of Supervisors' resolutions, ordinances, or minute orders, unless the allegation is that they are not uniformly administered.
5. Employee performance evaluations.
6. Impasses which occur while meeting and conferring upon terms of a proposed MOU.
7. Grievances filed after twenty days from date of occurrence, or after twenty days from the date the employee had knowledge of an occurrence but in no case later than one year from date of occurrence.

D. Employee Rights:

1. A party to the grievance shall have the right to record a formal grievance meeting at the expense of the requesting party.
2. The grievance procedure shall not limit the right of any employee to present a grievance individually.
3. An employee may have a representative present at all steps of the grievance procedure.
4. Reasonable time to process a grievance will be allowed during regular working hours subject to the prior approval of the employee's immediate supervisor. Such approval will not be unreasonably withheld.
5. Only a person selected by the employee from within a recognized employee organization and made known to management prior to a scheduled grievance meeting, shall have the right to represent an employee.

6. Nothing within this grievance procedure shall be construed as limiting the right of management to manage the affairs of the County.
7. Grievances of an identical nature concerning the same subject matter may be consolidated.

E. Informal Grievance Procedure:

Within twenty (20) days from the occurrence of the issue that gave rise to the complaint, or within twenty (20) days from the employee's knowledge of the occurrence (but no later than one (1) year from the date of occurrence), an employee will promptly and informally meet to discuss the complaint with his/her immediate supervisor. If a group of employees wishes to file a grievance based on a shared complaint, they or their designated representative will promptly and informally meet to discuss the complaint with their most immediate supervisor.

In those circumstances where the nature of the complaint involves the immediate supervisor, the employee (or a group of employees) may informally discuss the complaint with the next higher level of supervision, provided prior notification is given the immediate supervisor by the employee (or group of employees). If the supervisor determines that the employee's complaint cannot be resolved at that level within the chain-of-command, the supervisor shall refer the informal complaint to the next level of command by mutual agreement between a group of employees (or their designated representative) and the Fire Chief.

This informal grievance procedure must precede the use of the formal grievance procedure. If the supervisor fails to reply to the employee(s) within five (5) days of the meeting, or if the employee(s) is not satisfied with the decision, the employee(s) may utilize the formal grievance procedure. Grievance forms are available in the Department for this purpose.

F. Formal Grievance Procedure:

Step 1: Any employee(s) wishing to initiate a formal grievance will submit the grievance form and any supporting documents to the supervisor with whom the informal meeting was held, no later than five (5) days from receipt of the supervisor's informal response or within ten (10) days from the close of the informal meeting if no decision is rendered. The grievance must state the nature of the grievance, the alleged violation of any rule or regulation by section or number, if any, and the desired solution.

The supervisor shall hold a formal meeting with the employee(s) within five (5) days of the receipt of the formal grievance to review the facts, gather all supporting documents, discuss the complaint and desired solution, and discuss the proper appeal procedure.

The supervisor will issue a written decision on the original grievance form within five (5) days of the close of the formal hearing.

Step 2: If the employee(s) feels the immediate supervisor has not resolved the grievance, the employee(s) may appeal to the next higher level of supervision and Department head, jointly. At this time, all supporting documents and evidence relative to the grievance shall be included with the appeal and made known to both parties. The person occupying the next higher level of supervision (identified by the Department), together with the Department head, shall hold a formal meeting with the employee(s) and the employee's representative, if requested. This meeting will be held within ten (10) days from the date of receipt of the appeal and will be for the purpose of attempting to settle the grievance.

A decision shall be made and submitted in writing on the original grievance form to the employee(s) by the Department head within ten (10) days from the close of the formal meeting.

Step 3: If the employee(s) is not satisfied with the decision of the Department head, he or she may appeal the decision to the Chief Human Resources Officer (CHRO), within five (5) days from receipt of the Department head's decision. In his/her appeal to the CHRO, all supporting documents must be attached to the grievance form, together with the grievant's reason for appeal and remedy requested.

The CHRO or his/her designee will review the original grievance, all supporting documents, the Department head's response, and the remedy requested, and issue a written decision within ten (10) days of receipt of the grievance appeal.

If the employee(s) is not satisfied with the decision of the CHRO or his or her designee, the employee(s) may submit the grievance to advisory arbitration by written request to the CHRO within thirty (30) days of receipt of the decision.

If the grievance is submitted to advisory arbitration, the grievant, his or her representative, if any, and the CHRO shall, within five (5) days of receipt of the grievant's request, set a date for a meeting to:

1. Attempt to settle the grievance.
2. Agree to any stipulations.
3. Agree upon the issue statement. (An issue statement will reflect issue as presented in original grievance as written on grievance form.)
4. Select an impartial arbitrator.

G. Selection of the Advisory Arbitrator:

If the parties fail to agree on an arbitrator, a list of five (5) arbitrators will be jointly requested from either the Federal Mediation Service, the State Mediation and

Conciliation Service, or the American Arbitrator's Association. The agency will be mutually selected.

The parties shall select an arbitrator by alternately striking a name from the list, with the remaining name being the selected arbitrator. Should both parties agree that the first list submitted is unsatisfactory; the parties may request a second list.

The arbitration procedure will be informal and private. The arbitration procedure shall not be bound by any of the rules of evidence governing trial procedure in State courts.

The arbitrator will not have the power to add to, subtract from or otherwise modify the provisions of any MOU, Rules, Regulations, or Ordinances of the County of Kern.

The arbitrator will confine himself/herself to the issue submitted.

The arbitrator's decision will be advisory, subject to approval by the Board of Supervisors.

The cost of the arbitrator shall be borne equally between the County and the grievant. Each party shall bear its own costs relating to witness fees, transcriptions and attorney's fees.

The arbitrator shall be requested to submit his decision within thirty (30) days from the close of the hearing.

##### **SEVERABILITY:**

Should any portion of this Memorandum of Understanding or any provision herein be rendered or declared invalid by reason of any existing or subsequently enacted legislation or by any decree of a competent jurisdiction, such invalidation of such portion of this Memorandum shall not invalidate the remaining portions hereof, and they shall remain in full force and effect. The parties hereto mutually agree, during the term of this Memorandum, not to seek to meet and confer for the purpose of modifying any provision contained in this Memorandum unless the parties mutually agree to do so. Should the parties mutually agree in writing to meet and confer during the term of this Memorandum, neither party shall be obligated to add to, subtract from, or otherwise modify the terms herein, but if it is the desire of both parties to institute such changes, such changes shall not be precluded by this or any other provision of this Memorandum. Nothing contained in this Memorandum shall be interpreted to preclude the parties from meeting and conferring during the term hereof with respect to the interpretation and/or application of provisions of this Memorandum, the County's Ordinance Code, Administrative Procedures Manual, Rules of the Civil Service Commission, and Fire Department Administrative and Operations Procedures which deal with personnel matters, insofar as these documents affect the employees represented by the Union under the terms of this Memorandum of Understanding.
